# About Tropikhaana

A brand that aims to soon be synonymous with "clean and healthy packed foods"

Tropikhaana exudes professionalism and integrity that translates to understanding your needs and providing you only the best quality products. We are committed to becoming your most trusted Fresh and Frozen food partner. We strive to establish a long term relationship with you by bringing the best quality products to your table through a process of continuous improvement in quality & service and a robust logistics and supply chain mechanism.

Tropikhaana adopts a partnership approach to optimize the quality of food products delivered to you. We are committed to maintain best practices so that our consumers receive "the finest" food products. We advocate a healthy and organic lifestyle. Hence our preservative free fruit pulps, which contain no added sugar, can be easily used to make naturally flavoured milk shakes, yoghurts and other healthy desserts for you to enjoy guilt-free.

We pick, peel, clean and freeze fruits and vegetables under extremely hygienic conditions, and ensure that we retain the purity, natural taste and colour of each bite of each of our products.
